

Wheatty Bag **PAIN RELIEF THERAPY**

Natural Wheat Bags are 100% cotton bags, filled with a natural wheat grain. They can be heated in the microwave or cooled in the freezer and are then applied to the body wherever therapy or comfort is needed. Natural Wheat Bags are an excellent method of natural pain relief. The individual grains have a unique cellular structure which allows them to heat quickly but release the warmth slowly over an extended period of time.

HOT & COLD PAIN RELIEF THERAPY

Bag heats in the microwave to a calming, soothing temperature for beneficial heat therapy. For cold therapy, leave it in the freezer.

FULL COVERAGE with ERGONOMIC DESIGNING

Our Wheatty Bags are rectangular in shape, measuring 29 cm x 24 cm in size, thus providing full coverage with its unique, contouring style reaching hardest-to-reach neck, shoulder, and back pain.

INSULATED & PROTECTIVE

Our Wheatty Bags are made with high-quality ensuring your safety at all times. It is protected by thick Cotton or Luxurious Velvet material providing insulation while protecting your skin.

REUSABLE & EASY-TO-CLEAN

From the filling to the cover, we designed every detail to stand up to heavy; repeated use to stand the test of time. To clean remove the outer cover which is washable.

SPILL-PROOF, BURN-FREE COMFORT

No risk of spillage; No stiff hot water bottle stopper or getting burnt from a hot water bottle that is too tight.

AROMATHERAPY

A wonderful & relaxing fragrance of lavender flower buds from France, while soothing pain away and your muscles feel absolutely relaxed.

PREMIUM QUALITY

Each hot therapy heating pad is made right here in our India using the finest materials available. Our pain pad features super sturdy cotton on one side that gently hugs your skin and provides you with calming heat while the cotton on the other side can be used for extra heat retention.
